*All Together Now!* is designed as a fundraiser  
for local theatres to perform live,  
over the same weekend November 12-14, 2021.

There are over 2,500 organizations from all 50 states  
and 40 countries participating in the event. There will be over  
5,500 performances seen by over one million audience members.

The past year-and-a-half has been extremely challenging  
for theatrical organizations and MTI has offered this  
musical revue as a way to support the thousands of theatres  
who are persevering under trying circumstances.

Community Players is not charging admission for this event  
but a donation box is available in the Foyer.

All donations are tax deductible.
